

That's what we fight for!!
What do you vote for??

For full employment

Vote YES for an effective European Youth Guarantee, massive investments in innovation and renewable energy, and a framework for decent internships.

For a secure minimum income

Vote YES for real equality through a secured wage level above the poverty line, either through collective bargaining or a statutory minimum wage.

For real gender equality

Vote YES for equal rights through sufficient paid maternity, paternity, co-maternity and parental leaves and publicly funded high-quality child care.

For a relaunched European economy

Vote YES for anti-cyclic public investments in education, employment and social security, a new social agreement for full employment and deficit requirements tailored to each country's situation.

For an end to tax havens and regulated financial markets

Vote YES for harmonised tax systems to stop the race to the bottom, large-scale funding of the European investment instruments and a democratic European Central Bank.

For free public services under democratic control

Vote YES for public services that guarantee everyone equal quality and access and for a turn away from privatisation and liberalisation.

For a revolution in European democracy

Vote YES for a more democratic Europe, based on a strong European Parliament and a democratic Commission and Council.

For democratic economic policies

Vote YES for more democracy and transparency in European economic policy and an end to the undemocratic imposition of austerity in our Constitutions and Treaties.

For a European child and youth policy

Vote YES for a European Commissioner for Child and Youth Policy to ensure youth participation and children's rights.

For a new European asylum policy

Vote YES for solidarity and equality among EU member states in asylum policy and an end to human tragedies through a revision of the Dublin II regulation.
